Unit 1 – It’s all Cell-ular: Test Resume

This mastery tracker will help you and Mrs. A see how well you are doing in class so far. This will display your GLE mastery on the **test**, so this means you will have to do reinforcement work to gain mastery of these GLEs after the Unit 1 Test.

Grade Level Expectation	Questions on Exam	Your Points	Total Points	Percent Mastery <small>Your points x100 Total points</small>	0	25	50	75	100	Mastery? (85% or above)
<i>LS 1. Compare prokaryotic and eukaryotic cells</i>										
<i>LS 2. Identify and describe structural and functional differences among organelles</i>										
<i>LS 3. Investigate and describe the role of enzymes in the function of a cell</i>										
<i>LS 4. Compare active and passive cellular transport</i>										
<i>LS 5. Analyze the movement of water across a cell membrane in hypotonic, isotonic and hypertonic solutions</i>										
AVERAGE MASTERY	ALL QUESTIONS 1-26		35							

Reflection: What am I going to do to make sure I get 85% or above mastery on these GLEs??
